

B. C. S. Bulletin To Old Boys

VOL. XVI No. 1

COMPILER: H.L. HALL, M.A. ('16-'27) NOVEMBER 1956

THE HEADMASTER'S MESSAGE:

For the seventh time, it is both a pleasure and an honour for me to write a few words of preface to the Old Boys' Bulletin. It is hard to believe that I am now in my seventh year back at the School. For me they have been seven years of happiness, and, I dare to hope, even of some accomplishment.

If they have not been seven fat years, we can at least hope that the next seven years at B. C. S. will not be lean ones. When they are completed, the School will have finished its first century and a quarter of service to Canadian youth.

Whatever else can be said of them, these times are stirring and exciting. Granted a continuation of peace and prosperity, it is my fervent hope that the School will continue to play a prominent part in Canadian secondary education. God bless it.

THE THANKSGIVING WEEK-END: OCTOBER 6 - 8

Those who spent the Thanksgiving week-end at the School -- its 121st year, with an enrollment of 214 this year -- have many pleasant memories to recall. Brilliant sunshine, except on Sunday, intensified the contrasting colours of the landscape and emphasized the magnificent setting in which the School is situated. Saturday morning, the School Rugby team defeated Ashbury College, 34-14, in an excellent game in which, until half-way through the third period, both teams were evenly matched. Sunday morning, St. Peter's Church, Sherbrooke, was crowded for the School service, conducted by the Chaplain who preached on the value of service to one's fellow-men. D.C.H. Patriquin ('46-'56) played the organ; M. Rowat, treble soloist, sang "Hear my Prayer", and the Choir rendered Stanford's setting of the Jubilate Deo. Sunday afternoon, the Headmaster and Mrs. Glass were AT HOME to the many guests, and Old Boys again thank them for their hospitality and for the opportunity of meeting one another amid such pleasant surroundings. Monday morning, the School Rugby Team defeated the Old Boys, 8-0. This year, for the first time, Prize Giving was held before lunch. Seated on the platform were: Mr. Justice W. Mitchell, Chairman; the Headmaster; R. R. McLernon, Vice-Chairman; H. W. Davis, Q.C.; D. R. McMaster, Q.C.; D. L. McNeill, Q.C.; C. D. Johnston, Q.C.; D. Doheny; G.A. Sharp; J. Baillie; P. McEntyre; F.R. Pattison, assistant Headmaster; E.G. Brine, master-in-charge Prep School. The Chairman welcomed the many guests and distributed the Prizes. The Headmaster referring to the printed record of the various activities of the School and thanking the Board of Directors, the Staff and Boys themselves for the united efforts that went into the results obtained, referred to entrance to university these days and emphasized the fact that there is 'no royal road' to learning and no substitute for hard work. Lunch was served at two sittings and a Tea Dance, later in the afternoon, to which Compton girls were invited, brought the week-end activities to a close.

We extend congratulations to the following for winning prizes and medals:

The following Old Boys were on the Bishop's University Rugby Team that defeated R.M.C., 16-13, on November 3: J. Pratt ('48-'54); B. Mitchell ('45-'53); J. Rider ('53-'54); A. Hungerbuhler ('48-'55); J. de la Vergne ('52-'55).

3rd Crease: Coaches: A. P. Campbell, Esq., and R. R. Owen, Esq.
The crease is divided into four teams, captained by Cruikshank;
Cumyn; Jessop; Sargent.

Minor Games Crease: Mr. Forster in charge of tennis; Mr. Greaves, soccer and squash. The weather has not permitted much tennis but a handicap squash ladder has been set up, on which several masters and many members of the crease have competed. The courts have been used more, perhaps, than ever before and it is hoped that this enthusiasm continues. The soccer team is probably the best that the crease has produced and it is only to be regretted that there cannot be more opportunity to compete with other teams. Fielding has been captain of the team, with Penhale, Pollock and Coburn as assistants. The most successful squash players have been Gillespie II, Kyrtsis, Coburn and Freeborough.

PRINTING CLUB: Under the direction of Mr. Greaves. Since the Club was revived last January, when it produced the programme for the School Play, it has found a new and larger room and has produced other programmes--for the Cadet Inspection, for the "B.C.S. Varieties", and for the Thanksgiving Service--as well as carrying out many other assignments, privately or for School societies. A large number of boys have applied for membership, but there are not the facilities for more than the nine present members.

FRENCH CLUB: Under the direction of Messrs. Hall, Owen, Lock and Seager. Opportunities are given the members to speak entirely in French on general topics. A complete recording in French of Bizet's opera "Carmen" is being followed at successive meetings which are held on Sunday evenings at the masters' residences or in the Library.

PLAYERS' CLUB: Under the direction of Messrs. Evans and Greaves. It is probable that the main School production this year will be Gilbert & Sullivan's "Pirates of Penzance", shortly after Easter. In the meantime, the Players' Club is planning a production of "Julius Caesar" in modern dress to be performed at the beginning of the Lent Term, and a short selection from "Hamlet" for entry in the Sherbrooke Youth Festival Dramatic Competition.

PREP SCHOOL SOCCER: The Soccer season has been quite successful and the boys have shown good enthusiasm. The Prep regained the Wanstall Trophy by defeating Selwyn House on two occasions. In the annual match against King's Hall, Compton, the Prep won a close-fought game by a score of 2-0. Stanstead College defeated the Prep on October 24th, 3-2. On October 30th. the whole Prep went to Stanstead to see the Team beat Stanstead 3-2.

ENROLLMENT: The School opened in September with a record attendance of 214 boys. Of these, 164 are in the Upper and 49 in the Prep, a record high. Of this total number, 50 are new to the School: 29 being in the Upper and 21 in the Prep.

SONS OF OLD BOYS: PREP: Carter (W. L. O. Carter '28-'34); Glass (C. L. O. Glass '28-'32); McLernon (R. R. McLernon '26-'30); UPPER: Hill (J.E. Hill '18-'21); Markey (H.T. Markey '20-'26).

CADET CORPS: Under the direction of Capt. S. F. Abbott.
The following Cadets have been appointed: Cadet Maior: Wanklyn I. Cadet Captain: Gallop. Cadet Sgt. Mjr.: Byers. Cadet Q.M.S.: Brainerd. Cadet Lieuts.: Anderson; Bell I; McMaster. Cadet Sgts.: Hyndman; Sewell; Penhale. Cadet Cpls.: McLagan; McCulloch; Pollack; Webster; Sharp I; Coburn; Millar I. Band Sgt.: Hyman.

The Strathcona Trust Trophy for Military Efficiency was awarded the School Cadet Corps for the year 1955-56.

HOCKEY: General skating on the artificial ice in the rink started on November 4, and hockey creases began the next day.
